OUR VOLUNTEERS.

Some time has elapsed since our attention was drawn to various remarks in the papers below upon the subject of the disbanding of our volunteer militia companies, and although we have never intended to sit down quietly under the unjust and offensive reflections cast upon our people in accounting for this fact—the presence of matter calling more immediately for notice has made our silence of longer duration than we desired. Perhaps the most frequently repeated explanation of what has been called the disarming of our companies has been grounded upon the suspicion of disloyalty, while the least offensive one has been the inefficiency of our corps. Now our answer to any remarks anent the disarming of our companies is simply to be met by a statement of the fact that there was no men enrolled at the time the arms were removed from our settlement, we hardly see in what sense they can be said to have been disarmed. The fact of there being no men enlisted may require some explanation, and as the true one will serve to remove the so freely attributed stigma of disloyalty, we may briefly state what resulted in this state of things. When the officer who came to the Territories charged with the formation of these companies reached Prince Albert and called for volunteers, so far from finding any want of loyalty and zeal on the part of our settlers, he was offered men enough to form three companies instead of the two he proposed to enrol, and we safely say that had there been a moderate amount of

interest taken in them by the authorities they would have been efficient to day and enabled the Government to dispense with a large proportion of the mounted police force which they find necessary to keep ready against contingencies in our neighborhood at present. The officer who represented the militia department upon the occasion referred to assured the volunteers in very graphic language that as soon after he returned to Winnipeg a message could be flashed along the wires to Ottawa our uniforms would be ordered and no unnecessary delay occur in forwarding them to us. In the faith of this the men began to drill, many of them driving in considerable distances after their days work was done to get instruction. When the time arrived for annual drill the men cheerfully assembled, and although the circumstances of the country necessitated their camping and messing at headquarters away from their homes during the course of instruction, and made it very hard for them to leave their work—no allowances could be obtained for themselves or horses. This they submitted to as long as their officers could hold out to them the slightest hope that the Department felt sufficient interest in them to furnish them with uniforms, but when year after year passed and the companies were left without anything further than a rifle, sword bayonet and belt to distinguish them from civilians, it will be easily intelligible to any one in the slightest degree conversant with military matters how utterly hopeless was the attempt to keep up any military enthusiasm or esprit de corps. Instead then of attributing our inefficiency to want of loyalty, and offering it as an excuse for removing the Government arms from the settlement, we wish the people below to understand that nothing but neglect on the part of the militia department prevents the existence of efficient and loyal companies of volunteers in the Territories to-day. No doubt there is a good deal of dissatisfaction among the people—some of it undoubtedly the result of ample provocation—but as to loyalty at heart and readiness to do their duty when called upon, we believe that the people of the Territories, taken as a whole, compare very favorably with others who have not had so much to discourage them in various ways.

CURLING.

On Tuesday last the Argyle and Saskatchewan Curling Clubs played a very interesting match on the rink of the latter club, which resulted in a victory for the East Enders by ten shots. The game on No. 2 rink was a good one, and was anybody's till the last stone was played, but on No. 1 rink the home team, although a strong one, appeared to be thoroughly demoralized, and were beaten by eleven shots. The players and game stood:—

SASKATCHEWAN.		ARGYLE.	
No. 1 Rink.		No. 1 Rink.	
Wymerskirch.	Markley.	Duck.	Miller.
Johnson.	Hutchart.	McKay.	McKenzie.
Dean.	McPhail.	Sinclair.	Gavin.
Township.	12 Snell, skip.	Northover, skip.	18 Brothers, skip.
No. 2 Rink.			

Majority for Argyle, 9 shots.

The return match will be played on the Argyle rink next Thursday.

H. B. Givins, of the Argyle Club, won the medal presented by the Hon. L. Clarke to that club.

We are pleased to learn that Mr. and Mrs. Macdonald are each to present a medal to the Argyle club.

"In the Gloaming."

An old friend in a new face.
In the gloaming, Oh! my darling:
Struggling through the drifting snow,
White with hoar frost in the morning,
And a frozen mist and fog,
Since my boat is getting shrouded,
To the Horse Sand I must go;
Will he smile at me and trust me
As he used to long ago.

In the gloaming, Oh! my darling:
Think not I forget of me;
If the Horse Sand won't trust me,
Trust me for a pound of tea;
For his looks were full already,
And there was no space for me,
It was best to thus refuse me,
Best for him and best for me.

It is best to buy for cash here,
Best for you and best for me.

THE SKATING RACE

On Friday evening quite a gathering assembled on the Skatoway in Curling and Skating Rink to witness the ten mile skating race. The course was roped off, making fifteen laps to the mile, and as it was square, made it harder for the participants, some of whom found it so, for they would take a lie down on the ice to rest, but they had no idea of winning any of the three valuable prizes. The ice was in good condition and the weather quite mild. The band furnished some beautiful and lively music. It was very noticeable that if the band had played continuously the time of making the ten miles would have been greatly lowered. The skaters all knew what was before them and appeared in true athletic costume. Mr. W. R. Fish, who took first prize, is a good skater and seemed to glide around very easily; in fact he was not pushed from beginning to end, and it is evident he can make the distance in five minutes less time. Mr. And. Nelson came in second and is one of our best fancy skaters; he has good skating powers, but evidently needs practice for a long distance race. What is like every thing else requires practice, and if Mr. Frank Cherry had had a little more he might have done better, although he did very well in taking third place. There was some misunderstanding about the finishing. Mr. Wm. Tait evidently holding himself off for third place, but as time was called when Fish made the ten miles, he, Tait, was out in his calculations. Great credit is due Messrs. T. O. Davis and Maclean for the way they persevered in trying to cover the distance. The time of race was 10 min. 20 sec. and the following distances were made by: Fish, 10 miles; Nelson, 9 miles 10 laps; Cherry, 8 miles 14 laps; Tait, 8 miles 11 laps; and Davis, 8 miles 8 laps. We hope that this does not finish athletic contests on this, and now that it is started we think that there could very easily be good prizes got up for other sports.

Just received at Clark's Drug Store Gray's Syrup of Spruce Gum (Genuine), Haggards Pectoral Balsam, B. B. Bitters; also a full assortment of Diamond Dyes.

The secretary's report was read and adopted.

At this stage of proceedings the election of officers for the ensuing year took place, when Mr. Thos. McKay was nominated for President, but declined. Mr. Wm. The Sec. Treas. will be happy to receive subscriptions for membership and special prizes.

The meeting then adjourned.
